Even if approval is accorded to the unauthorized installation, the actual cost incurred should be met from the Supplementary and lighting, whose report has been forwarded by the Chief Electrical Engineer, P.

Sir,

In continuation of this office No. 137 dated 18th April 1921, I have the honour to bring to your kind notice -- another item of unauthorised expenditure incurred by the Manager of the Jaggulala Dharmashala wherein he has again advanced Rs.217-4-0 to the Electric Contractor without sanction (copy of his accounts for 27-4-21 is enclosed for ready reference).

2. Last year during your inspection of the Jaggulala Dharmashala the Manager had I believe made a statement to the effect that what all he did was done out of ignorance and he would not in future incur such unauthorised expenditure without sanction.

3. The Manager's action in thus - again advancing the funds of the Jaggulala Dharmashala on his own responsibility in the face of his own statement before the Muzarai Secretary is an act

of open defiance of the authorities and shows that the man is, throu
ly unreliable and consequently unfit to continue any longer as the
Manager of the charities which his great ancestor has so generously
instituted.

I have the honour to be,

Order No. 4417-9 Income and Exp/LC

Finance 365-18-9

Dated Bangalore, 11th July

It is seen from the foregoing correspondence that Mr. Subbaraya Rao, Manager of the Jaggulala Dharmasala, Mysore, fitted up the building with electric lights without the previous sanction of the Committee or the Deputy Commissioner, or the Government though there was no necessity therefor. The Manager deserves to be censured for this irregularity and he may be told distinctly that any repetition of such in future will lead to his removal from the post.

2. As regards the installation charges, though the Manager claims Rs.3,171-2-0, the Electrical Department found that only a sum of Rs.1,991-6-6 is payable for the work executed and Government consequently direct that nothing more than the latter sum need be paid out of the Dharmasala funds and that the Manager be made to refund to the Institution any sum that may have been paid to the contractor in excess of this amount.
